

A Look Back to the Art of Nursing 2015

With over 1,200 participants, from over a dozen hospitals across the country- nurses and nursing students accessed and enjoyed the Art of Nursing, 2015. Here's just some of what they had to say...

"I received this webinar series as a nurse's day gift from my employer. I was a bit skeptical at first if it would be of any value. I was pleasantly surprised at the great variety and quality of presentations offered." -BD, Montana

- Over 96% of the participants reported that the program exceeded their expectations
- More than 99% of the nurses/nursing students felt the program was well-organized
- And to date, 254 nurses each received 9 Continuing Nursing Education (CNE) units!

Some of the weeklong virtual highlights included:

- ✓ 12 video webinars any busy nurse can access on their own time
- ✓ 4 supportive conference calls for motivation, inspiration and connection
- ✓ 9 CNEs for the lifelong learner in all of us

"The AON 2.0 was terrific. The ability to attend the lectures on my own time was much appreciated!" -BN, Pennsylvania

It's a Win-Win for All

- Every nurse can participate (when it's convenient for them)
- Any shift can tune in (we're talking days, nights, part-time and floats)
- Videos, calls, handouts and all are theirs to keep (for a lifetime)

"Elizabeth Scala presents a well-integrated approach to continuing nursing education utilizing current topics and drawing from a diverse cross section of nursing professionals." -LM, Wisconsin
